

Nondiscrimination and Affirmative Action

NONDISCRIMINATION

The District is committed to an educational and working environment free from discrimination and harassment as described in this policy. This policy and accompanying procedure prohibits discrimination and harassment of any staff member, volunteers, and contractors who work on behalf of the district.

Equal Employment Opportunity

The District will provide equal employment opportunity and treatment for all applicants and staff in recruitment, hiring, retention, assignment, transfer, promotion, and training. Such equal employment opportunity will be provided without discrimination with respect to a legally protected characteristic, which include the following: race, creed, religion, color, national origin, age, honorably discharged veterans or military status, sex, sexual orientation including gender expression or identity, marital status, disability or the use of a trained dog guide or service animal by a person with a disability.

Discriminatory Harassment

Discriminatory Harassment is unwelcome conduct that is:

1. Directed toward a person based on a protected characteristic;
2. Sufficiently severe or pervasive;
3. Unreasonably interferes with a person's work environment or ability to perform job duties; and
4. The cause of an intimidating, hostile, or offensive environment.

Examples of discriminatory harassment include, but are not limited to:

- Unwelcome jokes or comments about legally protected characteristic (e.g., racial or ethnic jokes);
- Disparaging remarks to or about a person's legally protected characteristic (e.g., negative or offensive remarks or jokes about a person's religion or religious garments);
- Displaying negative or offensive posters or pictures about a legally protected characteristic;
- Physical conduct toward a person due to that person's legally protected characteristic;
- All communications, including those conveyed electronically, such as by e-mail, telephone or voicemail, text messaging, or social media or other internet use, that directly or indirectly implicates a legally protected characteristic; or
- Any other unwelcome conduct that implicated a legally protected characteristic.

In most instances, discriminatory harassment does not include supervisory or evaluative practices.

The Board will designate a staff member to serve as the Compliance Officer.

AFFIRMATIVE ACTION

The District, as a recipient of public funds, is committed to undertake affirmative action which will make effective, equal opportunities for staff and applicants for employment. Such affirmative action

will include a review of programs, the setting of goals and the implementation of corrective employment procedure to increase the rate of aged, persons with disabilities, ethnic minorities, women, and Vietnam veterans, who are under-represented in the job classifications in relation to the availability of such persons having requisite qualifications. Affirmation action plans may not include hiring or employment preferences based on gender or race, including color, ethnicity, or national origin, such affirmative action will also include recruitment, selection, training, education and other programs.

The Superintendent or designee will develop an affirmative action plan that specifies the personnel procedures to be followed by the staff of the district and will ensure that no such procedures discriminate against any individual. Reasonable steps will be taken to promote employment opportunities of those classes that are recognized as protected groups - aged, persons with disabilities, ethnic minorities and women and Vietnam veterans, although under state law racial minorities and women may not be treated preferentially in public employment.

This policy, as well as the affirmative action plan, regulations, and procedures developed according to it, will be disseminated widely to staff in all classifications and to all interested patrons and organizations. Progress toward the goals established under this policy will be reported annually to the board.

EMPLOYMENT OF PERSONS WITH DISABILITIES

In order to fulfill its commitment of non-discrimination to those persons with disabilities, the following conditions will prevail:

1. No qualified person with disability will, solely by reason of a disability, be subjected to discrimination; and, the District will not limit, segregate or classify any applicants for employment or any staff member in any way that adversely affects his/her opportunities or status because of a disability. This prohibition applies to all aspects of employment from recruitment to promotions and includes fringe benefits and other elements of compensation.
2. The District will make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant or staff member unless it is clear that an accommodation would impose an undue hardship on the operation of the district program. Such reasonable accommodations may, as appropriate, include:
 - a) Making facilities used by staff readily accessible and usable by persons with disabilities; and
 - b) Job restructuring, part-time, or modified work schedules, and acquisition or modifications of equipment or devices, the provision of readers or interpreters and other similar actions.

In determining whether or not accommodation would impose an undue hardship on the district, factors to be considered include the nature and cost of the accommodation.

3. The District will not use any employment tests or criteria that screens out persons with disabilities unless the test or criteria is clearly and specifically job-related. Also, the District

will not use such tests or criteria if alternative tests or criteria (that do not screen out persons with disabilities) are available.

4. While the District may not make pre-employment inquiry as to whether an applicant has a disability, or as to the nature and severity of any such disability, it may inquire into an applicant's ability to perform job-related functions.
5. Any staff member who believes that there has been a violation of this policy or the law prohibiting discrimination because of a disability may initiate a grievance through the procedures for staff complaints.
