Mrs. Ross, Mrs. DiAntonio, Mrs. MacDonald

**\*\*\* We will be sharing all of the supplies except the backpack, watercolor paints, headphones, and scissors. Please put your student's name on these items.**

1 backpack (labeled)

1 tray of watercolor paints (labeled)

1 pair of pointed scissors (Fiskar brand-labeled)

1 set of headphones (labeled) for student use in class. They must be wired headphones and they will stay in the classroom until the end of the year.

**\*\*\*\*\*The items below will be shared. They DON'T need to be labeled\*\*\*\*\***

1 box of 48-96 count crayons

1 set of washable markers (skinny or regular)

1 box of colored pencils

6 Large permanent glue sticks or 12+ small glue sticks (Avery or Crayola)

8 fine point dry erase markers

1 box of Kleenex

1 bottle of hand sanitizer

2 containers of Clorox wipes

1 spiral notebook

3 dozen #2 pencils (Ticonderoga please) - (We've found that cheap pencils break more easily and don't sharpen cleanly, the lead breaks and falls out, etc. Quality supplies actually last longer...therefore costing less in the end.)

2 boxes of pencil tip erasers

1 large box of snack to share with the class
